1. Sit in a circle. Each person take a pile of Bright Guy post-it-notes and a pencil, counted out one for each person in the circle. (15 people =15 post-it-notes each)
2. Every person write a Lutheran phrase on their top post-it-note. Encourage creativity (Bright ideas from the reformation, Lutheran places, church names, historical references, scripture texts, phrases from the liturgy, hymn titles, famous Lutherans etc.)
3. Everyone pass their pile (their entire pile) to the left.
4. The next person gets the pile, reads the phrase, moves the phrase to the bottom of the pile. This person must draw a picture of the phrase.

6. The next person looks at the picture and writes a word or phrase to describe what they saw.
7. Everyone pass their pile to the left.
8. Picture . Pass . Word or phrase . Pass . Picture . Pass . etc. until the pile has gone around the whole circle.
